

Cape Henry Shores Civic Association Quarterly Newsletter

Spring Edition • March/April/May 2011

Welcome to our new electronic newsletter!

A note from the CHSCA President:

A belated happy, healthy and prosperous New Year to all. I hope you enjoyed the Christmas and holiday season. I want to thank our kind neighbors who donated items to families at Fort Story this past season. Furniture, toys, clothing, cooking utensils and money were among the many items that helped bring happiness. Dick Robbins, our treasurer, will have more on this subject.

I have observed that there are children riding bicycles that are not wearing helmets. The city statute specifies that it is mandatory to wear a helmet if you are 14 years old or younger. Parents may be fined if children are sighted for this infraction.

Our next civic association meeting will be a Lynnhaven Congregational Church on Monday, March 28th at 7:30pm. Less than 25 people have attended each of the past 3 meetings. We need your inputs. Please call me if you have subjects that you wish to discuss and I will place them on the agenda.

Hopefully you will receive this newsletter via email. For those who do not have a computer, we will deliver a hard copy to you. Also, if you have any questions or assistance concerning Cape Henry Shores, please call your block captain (their numbers are listed in this newsletter).

See you at the meeting on March 28th,

Marty Schuman

Cape Henry Shores Civic Association

Next General Meeting on Monday, March 28th, 7:30pm

at the Lynnhaven Colony Congregational Church Community Center

2212 West Great Neck Road

From the Treasurer:

The Dues notices for the 2011 calendar year are being sent to the Block Captains this week who will distribute them. If you are one of the few households who have not paid for 2010, please remit with this year's dues. I appreciate those 12 or so households who have paid in advance for this year. Thank you in advance to all for your prompt attention to this matter.

REDUCED Newsletter Advertising Rates!

Now that our newsletter is being delivered electronically, we have lowered the advertising rates. If you would like to advertise, please contact Addie.

It's not too late . . . to save Pleasure House Point

Community groups continue their efforts to preserve this area and you can help. Please consider making a donation. The Virginia Beach Parks & Recreation website lists these top reasons to donate:

1. **SAVE** the largest undeveloped parcel of land on the Lynnhaven River for generations to come.
2. **PRESERVE** your City's Green Space and the opportunity to experience shoreline habitat, wetlands, and maritime forest.
3. **PROTECT** the natural habitat of birds and marine life.
4. **PRODUCE** healthy lifestyle opportunities by having trails in close proximity to residences in one of the highest density areas in the City.
5. **RAISE** property values and prevent added congestion in this area.
6. **BE** part of a legacy purchase; we will not have this opportunity again.

Please visit the Virginia Beach Parks & Recreation Website (Fundraiser section) to make a donation or follow related links for more information: <http://vbprf.org/>

Proposed Project at Marina Shores

The proposed Marina Shores project - an extension of the marina and creation of a permanent dredge spoil transfer site - appears to be moving forward. Information about it was posted on the Cape Henry Shores website

<http://capehenryshores.org/>

and is still available to view. The initial project was removed from the January wetlands board hearing with the plan of re-submitting it. A new application has been submitted for preliminary work at the site. If you have concerns about the project, a website in protest of the project has been created at

Shore Drive Community Coalition

Cape Henry Shores is just one of several in the Shore Drive Community Coalition (SDCC), a diverse group of civic leagues, condominiums and community associations located along Shore Drive. The SDCC maintains a very informative website, blog and electronic newsletter.

Generosity Lives In Cape Henry Shores

The Cape Story Civic Association asked us to help with their annual Christmas support for a needy families at Fort Story. Although the breadth of needs for the family assigned to us was overwhelming, the families of Cape Henry Shores were more than willing and able to accept the challenge. As many may remember from the initial emails last December, the family of the service member included six children, a disabled husband and a sister with a small child whose needs included beds for the children. Your response, which was overwhelming, included four beds, many winter coats, two TVs, many other articles of clothing and \$600. The cash has been used for some Christmas presents for the children, an additional brand new bed, and a full set of pots and pans with some left over for a gift card to Walmart. A special thanks to Sandy Tucker who got the ball rolling on the effort, and to Ava Plemmons, Addie and Courtney Roark for purchasing and wrapping the Christmas presents. I anticipate that we will be asked to participate again next year and would be happy to have a volunteer for the effort. Many thanks again to all from me and especially from the family!!
